

# Going for walks

I like to go for walks with  
my family.

Sometimes on our walk, I see a playground. I love playgrounds!

Right now, there are some germs called Coronavirus, so I can't play on the playground until the germs are gone.

For now, I can walk by the playground. I can wave and say, "see you when the germs are gone!"

My family will tell me when the germs are gone and I can start playing on the playground again. It will be SO fun!
